

EXCITING UPDATES

WE HAVE SOME EXCITING NEWS AND CHANGES COMING FOR 2024!

We are in the middle of a local move and will be putting a pause on production for the next 60 days. However, we will be available to answer any questions you might have or help you plan for the new year.

Niels is currently working on a collection of economical items that will be added to our line for the new year. We are looking forward to new changes in 2024 and will be sure to send updates. We greatly appreciate you and cannot believe we will be celebrating 35 years in business.

Best Wishes,
Niels & Annette

Please note: Our website is undergoing updates to accommodate these exciting changes and we are pleased to share that all of these new items will be available for you to see soon.

WELCOME KRISTA TO THE TEAM

It is with great pleasure that we announce our daughter, Krista Andersen, will be joining our team. Krista grew up in the family business and worked behind the scenes while attending Arizona State University. She is a talented graphic artist and will bring an added artistic flair. Krista will be offering custom medals and other products as well as introducing a selection of newly designed medals that will be readily available in our inventory.
